

BOARD OF MEDICAL AND OSTEOPATHIC EXAMINERS

December 2019

By BMOE Staff

LICENSING: Ensure only qualified professionals are licensed and allowed to practice.

Current/Past Events:

The database vendor, Albertson Consulting has reached a stall in the process of IT deliverables; staff evaluated and presented to the BMOE who directed board staff to negotiate an end to the contract. This is in process and the staff will continue maintenance with the original contractor who still has a valid contract.

Advisory Committees

The advisory committees continue to meet as needed.

Legislation and Administrative Rules

A public hearing regarding a rule for medical license application disclosure questions will be held in March.

Interstate Medical License Compact

- The Rules and Administrative Procedures committee has begun development of a process for the IMLC to levy on and collect from member boards an annual assessment, as authorized by section 13 of the compact law (SDCL 36-4-44).
- SD Commissioner Hansen has been appointed with 2 other committee members to develop policy guidance regarding the enforcement authority granted to the IMLCC Executive Committee under IMLCC statutes, Section 11, paragraph k.

Physician Wellness Assessment from SDSMA

- On December 18, 2019 the board received the final version of the Physicians Wellness Resource Assessment from the SDSMA (this report is attached). This report is a review of physician health programs in South Dakota. There are significant issues regarding the factual basis of the report. The staff has sent an email to the SDSMA stating that the Board disagrees with the assumptions contained in the report.
- The SDSMA has been made aware that the BMOE is in negotiations to re-enter the HPAP so would not support legislation that would change SDCL 36-2A.
